

A collage of medical and pharmaceutical products. The top right features the CTI group logo, which consists of a stylized blue eye shape above the text "CTI group". The collage includes various items: a large syringe with "U-100 INSULIN" on the label; several vials, some labeled "Chiralen monofilament", "Monolac monofilament", "Chirlac braided", and "Chirlac rapid"; and various surgical instruments like forceps and needles. The background is a mix of blue and white tones.
